

AMENDMENTS TO THE SPECIFICATION:

Please amend the specification as follows:

Page 7, line 27, delete “avoid fired” and insert therefor --avoid firing--;

Page 8, line 6, delete “avoid fired” and insert therefor --avoid firing--;

Page 8, line 15, delete “avoid fired” and insert therefor --avoid firing--;

Page 8, line 22, delete “avoid fired” and insert therefor --avoid firing--;

Page 8, line 31, delete “avoid fired” and insert therefor --avoid firing--;

Page 10, please insert the provided sheet, labeled page 10, that includes the inadvertently omitted Table 1, which is referred to in examples 6 and 7; and

Pages 10-13, please increment the page numbers of the claims and abstract if required.

With these amendments, Applicant respectfully submits that the Examiner’s objections to the specification are accommodated. See Office Action at ¶ 1. These changes are believed to introduce no new matter, and their entry is respectfully requested. If the Examiner believes that the entry of Table 1 as a drawing is in better compliance with current practices, then Applicant herein grants permission to the Examiner to enter an Examiner’s Amendment to that effect.
